TO: ALL STAFF  
ALL STATION MANAGERS/SUPERVISORS

FROM: PAUL F. CROUCH

DATE: JULY 24, 1990

As TBN's ministry continues to expand and grow, we have found it necessary to make a number changes within TBN administration to help keep pace with the increasing work flow.

Phil and Hazel Crouch have been transferred to our TBN facilities in Dallas, Texas where they will assume the duties of station managers for that station.

Al and Ruth Brown are joining us at the California office where Al will be working as Director of Finance. Al will also serve as Chief of Staff for the entire network and will be assuming Phil Crouch's responsibilities in this area. All station managers and supervisors should now directly report to Al on matters that require the attention of TBN administration.

Thank you.

SPECIAL MEETING  
NATIONAL MINORITY T.V., INC.  
AUGUST 15, 1990

A special meeting of the Board of Directors of National Minority T.V., Inc. was held on August 15, 1990 at Newport Beach, California. Those present included board members Paul Crouch and Jane Duff. Phillip Aguilar was also present and was accompanied by his son.

The President reported that he was in receipt of a letter of resignation from Rev. David Espinoza. Mr. Crouch explained that Rev. Espinoza had asked that his resignation be accepted as the demands of his parish ministry made it extremely difficult to continue as an active officer and director of the corporation. It was moved, seconded and passed that the resignation of Rev. Espinoza be accepted and that a letter of appreciation be mailed to Rev. Espinoza expressing gratitude for his dedicated service to National Minority T.V.

The board then considered the possibility of electing Phillip Aguilar to the Board of Directors as a replacement for David Espinoza. The responsibilities of board membership was explained to Mr. Aguilar and Mr. Aguilar indicated he would be able to meet the demands of a director and officer.

It was then moved and seconded and passed that Phillip Aguilar be elected to the office of Vice President in place of Jane Duff and to the Board of Directors of the corporation. Mr. Aguilar accepted the office of Vice President and agreed to serve as a director. The board proceeded to elect Jane Duff Secretary and Treasurer of the corporation. Mrs. Duff accepted the two offices.

The board members discussed the current broadcast interests of the corporation and its financial status.

The meeting then adjourned.

Ben,

I went to Columbus yesterday and looked at the Grass Valley Switcher per your request. Generally, it looks good and I didn't see any reason not to buy it.

I met with Paul Ogle at Com III. It is a clean and apparently well-run company.

Here are my observations:

Switcher - Grass Valley M/W 600-7G  
24 Inputs (23 + black)  
3 Mix Effects Busses + 1 Auxiliary Buss  
4 Borderline Generators - 3 on M.E. & 1 on DSK  
3 Joysticks, 1 for each EFX bank  
1 Background Generator

3 Chromakeyers - each is RGB  
Control Cable Length - 200' (the control panel was originally located quite a distance from the electronics)

Manuals - all manuals come with the switcher

Extender Cards - all required extender cards come with the switcher

Modifications - there is no evidence of modifications

General -

- 1) 4 Pushbutton caps are missing from the wipe selectors
- 2) Some of the key pots are dirty
- 3) 1 knob is missing from a pot
- 4) Does not have rotary wipes
- 5) I didn't check every single input or every wipe, but all M.E. busses, all keyers, all borderline generators work fine (except for dirty pots)

I hope this answers all your questions about the switcher

## Independent Auditors' Report

The Board of Directors  
National Minority Television, Inc.  
Tustin, California

We have audited the accompanying balance sheet of National Minority Television, Inc. as of December 31, 1989, and the related statements of revenues, expenses and changes in fund balances, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
